Topic for 2018-2019: Moral awareness

The Montreal Health Ethics Seminar Series is a free, open to the public, interdisciplinary and bilingual seminar series aimed at promoting health ethics. Each year, a general theme guides the interventions of health care professionals, ethicists, patients and other stakeholders.

SEMINAR*

Promoting a culture of ethical sensitivity for nursing and related health and human service disciplines
Kathryn Weaver (University of New Brunswick)

Moral distress: evidence and new horizons.
Annie Janvier (CHU Sainte-Justine)

What is our responsibility with regard to the care of transgender youth?
Annie Pullen-Sansfaçon (Université de Montréal)

Moral entanglements and the closure of humanitarian health projects: upholding organizational values
Matthew Hunt (McGill University)

Bien traités, mal soignés. La relation et l'information au cœur des soins.
Josée Blanchette (Le Devoir)

La sensibilité éthique et la santé au travail: des liens à explorer
Chantal Caux (Université de Montréal)

Disorientation in clinical encounters
Ami Harbin (Oakland University)

*Language of title is that of presentation.
