## **Montreal Neuroethics Conference for Young Researchers/ La Conférence de Montréal en neuroéthique pour jeunes chercheurs**

**April 17<sup>th</sup>, 2015/17 Avril, 2015, Institut de recherches cliniques de Montréal (IRCM)  
110 avenue des Pins Ouest, Montréal, Quebec**

A one day international conference aimed at displaying the work of young researchers and encouraging networking and collaboration between individuals who are interested in this exciting field. In addition to participants from around the world, our conference includes panel discussions from leading researchers in the field who have been recognized internationally for their contributions to neuroethics.

Une conférence internationale d'une journée visant à afficher le travail de jeunes chercheurs dans le domaine, tout en encourageant le réseautage et la collaboration entre étudiants, chercheurs de renom et toutes personnes intéressées par la neuroéthique. En plus d'y rencontrer des participants de partout dans le monde, vous y verrez d'éminents chercheurs, reconnus mondialement pour leurs contributions à la neuroéthique, se joindre aux tables rondes.
